

Born at High Noon, Boy's Age Puzzles Brooklyn Courts.

Arrested on 16th Birthday, and
Query Is: Criminal or Juvenile Delinquent?

Patrolman William Rotts heard some one trying to force an entrance into his home, No. 140 De Kalb avenue, yesterday and caught a boy, who said he was Edward Toberman, sixteen, of No. 409 Harman street.

Toberman was arraigned just before noon before Magistrate McGuire in the Gates Avenue Court and admitted his guilt, but denied the jurisdiction of the court. He said: "I am sixteen years old to-day and was born at noon. I should be arraigned in the Children's Court."

Magistrate McGuire agreed with the prisoner and sent him to the Children's Court.

"If you were born at noon sixteen years ago you are too old to be arraigned here," ruled Justice Wilkins and he sent Toberman back to Magistrate McGuire.

The latter put the case over until to-day, till he could decide whether the boy is subject to a criminal charge or merely a juvenile delinquent.

CENSORSHIP VERDED.

(By a British Review)

"I believe in strict news censorship,"

declared the man with sad eyes.

"What is the matter now?" asked

the friend.
"I haven't had any peace since my wife read of the arrival of a \$1,000,000 cargo of sealskins at Seattle."

The CORSET With a Mission Of Health and Comfort for Women "The NEMO"

The Corset That Will Be Worn by All Women Who Wish To Enjoy The Fullest Strength and Youthfulness

¶ The NEMO Corset is the creation of genius, knowledge and genuine human helpfulness. Before it was designed, the corset was a menace to health, and the subject of constant criticism by the medical profession, and by all who studied the health and comfort of womankind.

¶ The inventor of the Nemo Corset was inspired with the idea of producing a Corset which, instead of being a burden and infliction to women, would be a REAL CONSERVATOR OF HEALTH AND STRENGTH.

¶ After years of study, experiment and invention, the NEMO CORSET has reached such a state of perfection that

TODAY No Woman Who Fully Understands the Value Of the NEMO Corset Will Be Without It a Single Day

¶ It is impossible to tell just how the result is attained, but THE WOMAN WHO WEARS A NEMO CORSET does not tire like other women; she walks with a firmer, brisker step, her eyes are brighter, she smiles more easily, she enjoys life more; she feels far younger than other women of her age—for the scores of reasons that our fitters will be glad to explain to you.

¶ The SELF-REDUCING FEATURE is a marvel in itself—the sane and healthful way for a woman to gain and retain a healthful, youthful figure. Prices, \$3, \$5, \$8 and \$10.

¶ When may we have the pleasure of showing you the NEW MODELS, and explaining what the NEMO Corset will do for YOU?
